

FOR IMMEDIATE RELEASE

GLOBAL RESULTS COMMUNICATIONS WELCOMES EPAM SYSTEMS, INC. TO CLIENT ROSTER OF LEADING INNOVATORS

Award-winning tech PR powerhouse adds world-class software engineering, design and consulting enterprise

SANTA ANA, Calif., August 13, 2020 – [Global Results Communications \(GRC\)](#), an award-winning, full-service public relations powerhouse focused on high tech and all the verticals it touches, is pleased to announce the addition of its new client, [EPAM Systems, Inc.](#), a leading global provider of digital platform engineering and software development services. As agency of record, GRC will provide EPAM with a full-service communications program inclusive of media and analyst relations, thought-leadership development and expanded coverage in top-tier news and industry trade publications to shine a spotlight on how EPAM’s breakthrough strategies result in significant, tangible business outcomes.

Launched in 1993, EPAM is supported by an international network of more than 36,400 “EPAMers” in 30-plus countries across the global. Helping enterprises reimagine business through a digital lens, EPAM’s software engineering heritage combined with its strategic business and innovation consulting, design thinking, and physical-digital capabilities provide real value to its customers through human-centric innovation.

“We are honored to be selected as the global agency of record for EPAM,” says GRC CEO and Founder Valerie Christopherson. “The need for strong, precise communications is more important now than ever, and we look forward to helping EPAM amplify its mission to position enterprises for the future and build the platforms that will get them there.”
